Partial Scholarships 2021 Intakes

Multiple Higher Education Institutes Masters in Entrepreneurship

Advenio eAcademy as the Awarding Body of the Masters programme together with the Collaborating Universities, have launched a number of partial scholarships for the 2021 Intakes. The Intakes are scheduled for January, April, July and October.

The Masters programme is offered both as a part-time fully online programme with a duration of 18 months or as a full-time blended learning programme with a duration of 12 months residential in Malta.

Scholarships are being offered to reward high flying candidates with a first-degree qualifications, candidates with proven entrepreneurial experience and candidates facing special circumstances.

The partial scholarship offer is governed by the terms and conditions set out. Amongst the terms, the applicants must participate and pass the mandatory online Pre-Programme Preliminary assessment, have at least a Second Upper Bachelor's Degree and entrepreneurial experience.

The partial scholarships will amount to 30% of the programme fees and will be available for all Intakes scheduled in 2021.

To find out more about the terms and conditions and the benefits of the partial scholarships, contact us on admin@aea.academy
