The Erasmus+ SocEntrep4NGOs programme started off with an initial market research in the participant countries to identify the most appropriate specialist subjects and the level of the courses required. It then called for the development of the course materials, production and digitisation of all self-learning and collaborative learning objects as well as the certification of the programme.

The Level 5 programme programme comprises three stages:-

Stage #1: 4 Core modules of 8 ECTS Credits each (32 ECTS in total) at Level 5

ARPEL Process valid for up to 32 ECTS credits at Level 5, OR

Stage #2: 8 Specialist Modules x 4 ECTS credits valid for 32 ECTS credits at Level 5

Stage #3: Research Project OR Internship x 26 ECTS credits at Level 5

The programme seeks to equip participants with the necessary management skills, tools and techniques to advance their own enterprises and to inform and guide the development of their organisation within the broad areas of Social Entrepreneurship more effectively.
