Advenio eAcademy

Established in 2013, Advenio eAcademy is a Further & Higher Education Institution (FHI) based in Malta. It caters for an international clientele of discerning educational service providers and learners within the broad field of entrepreneurship. In 2013 it was the first organization in Malta providing on-line courses accredited to EQF/MQF standards by the local regulator. In 2021 it became the first local organisation to offer accredited online micro-credential courses in SME Management. Advenio eAcademy is an Erasmus+ charter member and over the years has established excellent collaborations with various European universities and specialist organisations.

It currently awards degrees at Levels 6 & 7 as well as Undergraduate Higher Diplomas at Level 5 in the broad area of entrepreneurship, social entrepreneurship and SME Management. Advenio eAcademy is an active Erasmus+ member having led five Erasmus+ projects and participated in various other Erasmus+ projects led by other partners. Since inception it has built all services on the reliable and proven award-winning e-learning platform, eB-Learn, developed and maintained by eBusiness Systems, the web solutions arm of AllSecure Ltd. The Mission Statement defines the commitment and focus of the organisation, namely:

“Advenio eAcademy is a licensed Further & Higher Education Institution committed to the design, development and implementation of quality, accredited and non accredited, online and blended learning courses in the broad field of Entrepreneurship as well as specialized programmes in health sciences.

Advenio eAcademy develops local and international collaborations with Higher Education Institutions, professional bodies, NGOs and private sector firms, through its participation on local and international research and development projects related to online & blended learning in particular market segments”

Award in NGO Management Award Event - December 2023

Award in NGO Management

The Award in NGO Management is an online accredited programme designed to assist Voluntary Organisation officers and staff in meeting the challenges of managing a Non-Governmental Organisation (NGO). It seeks to provide in a concise format the knowledge and know-how to assist them in strengthening their skills and competencies.
